About Me

Author of her debut book, *It is Well*, Kayleon Dortch-Elliott lives in North Carolina with her husband and children. As CEO of Write on the Margin Publishing, LLC, her mission is to meet Christians in the margins of faith and everyday life. Through her words, she strives to underline a faith that was never meant to be abstract. Alongside her writing, she has been invited to speak as a keynote, panelist, podcast guest, minister, and more.

Kayleon is a YouVersion Content Partner and Brand Ambassador for Contagious Faith.

Kayleon holds a Master of Theological Studies degree from Regent University and was named the School of Divinity's Outstanding Graduate for the program. Presently, she is pursuing an M. S. in Psychology degree.

If you like inspiring yet thought-provoking messages on Christian faith and spirituality, you'll love her work.

ABOUT THE BOOK

IT IS WELL:

GENERATIONAL FAITH THAT NEVER RUNS DRY

In a soul-stirring and uniquely crafted exploration of contemporary Christianity, author Kayleon Dortch-Elliott surveys the intergenerational wells of faith passed down through the years, analyzing each generation's distinctive perspectives and practices.

Dortch-Elliott opens our minds to the evolution of intergenerational faith by drawing insightful biblical parallels. The lives and legacies of the patriarchs of faith, Abraham, Isaac, and Jacob, are explored astride three of the most prominent generations of our time: Baby Boomers, Generation X, and Millennials.

An invaluable resource for the modern Christian whose battle against contemporary pressures sometimes makes the weight of faith unbearable. *It is Well: Generational Faith That Never Runs Dry* uplifts you with God's everlasting grace, reconnecting your inner wells with the faith of our predecessors, our contemporaries, and the eternal promise of our heavenly Father.

ADVANCE PRAISE FOR *IT IS WELL*

“The American Church is in a divine moment where Her auxiliary self-definitions are being shaken and most importantly Her core DNA is being re-discovered. The Church is being forced to find Her biblical identity and chief among these definitions is to be a family of generational faith transfer among all ethnic groups. While many churches may espouse this value, few have the tools, understanding, or the perspective to deal with the growing generational gap taking place in their sanctuaries, youth rooms, and nurseries.

In her book, Kayleon Dortch-Elliott provides a historical, sociological, and spiritual journey that will give any church leader a map to begin the much-needed work of bringing Abraham, Isaac, and Jacob to the same table to eat together at the same time.”

**Joel Solomon, Pastor and Professor
New Life Church and Regent University**

“At a time when the wells of God’s people are empty and broken, Kayleon Dortch-Elliott prophetically calls forth the Abraham, Isaac, and Jacob generations to re-dig them. She writes with prophetic insight and unusual clarity concerning the current state of the church juxtaposed with the biblical mandate to nurture intergenerational faith.

Her book is a must-read for all generations—especially Millennials—to reclaim the spiritual wells dug by their forbears. Her message is clear: come to the well that never runs dry.”

Diane J. Chandler, Ph.D.
Associate Professor of Christian Formation and Leadership, Regent University
Author of *Christian Spiritual Formation: An Integrated Approach to Personal and Relational Wholeness*

“In *It is Well*, Kayleon Dortch-Elliott offers a compelling comparison between Abraham, Isaac, and Jacob’s faith journeys and the spiritual experiences of recent generations, especially the Baby Boomers, Gen Xers, and Millennials. Her insight into the experiences of each generation is profound, and how stories from the biblical patriarchs apply to the present situation is impressive.

Throughout the book, Dortch-Elliott masterfully uses spiritual analogies and metaphors, urging readers to cherish the wisdom of the past while forging new paths for the future. Her book will encourage younger generations looking for a biblical way to understand the struggles of intergenerational dynamics.”

Dr. Jeff Gossmann
Director of Campus Ministries, Regent University

“This book is a beautiful depiction of our need as Christ’s followers to acknowledge and be grounded in our roots of faith, while simultaneously being open to how the Lord will guide us in new ways. Amazing connections and insights between the Patriarchs and the generations of our time will encourage you, deepen your appreciation for those who have gone before, and inspire you to leave a legacy of faith for future generations.”

Adrianna Card
Former Overseas Missionary, Wife and Mother,
Relations Lead at Messenger International

“*It is Well* underscores the profound connection between His word, our decisions, and the spiritual legacies we forge. Kayleon Dortch-Elliott delivers a compelling message to prioritize God’s kingdom in our faith journey, marking an essential read for anyone eager to cultivate and craft meaningful faith that spans generations to come.”

Jordan P. Barnes
Author of *One Hit Away: A Memoir of Recovery*

“*It is Well* is a thought-provoking book which delves into the complexity of generational faith. It offers liberation to Millennials who feel bound by tradition and find themselves questioning what their faith should look like in this ever-changing world.

Kayleon beautifully weaves generational patterns and issues of faith with well-known Bible stories we all grew up reading, encouraging each reader to embrace a personal relationship with God. A must-read for parents wanting to understand how they and their family fit into God’s master plan, and the impact their faith has on their legacy.”

Kashina Smith
Preparing the Home

“What a thrill to read Kayleon’s authentic and biblically-guided interpretation of God’s great love and comfort for us over the generations. Her book will undoubtedly prove to be a crucial tool for today’s followers of Jesus as we all navigate cultural draws away from God’s truth. She instead offers a wealth of vitally important reminders of divine grace, peace, and everlasting promises to cling to as we go about Kingdom work one day at a time. So thankful for her unmistakable gift to the world through these pages!”

EXCERPTS FROM *IT IS WELL*

“

With time, the challenge for this generation of believers became apparent: acknowledging that their Christian faith has more to offer than a list of spiritual chores and guaranteeing a spot in heaven. They began to understand that the kingdom was more within reach than they once thought. An intimate relationship with God permits the present-day experience of His kingdom and His intentions for our lives are not restricted to salvation. Christian Boomers came to desire experiences with God in their daily lives, as ordinary as they may have seemed. These newfound realizations challenged them to move beyond the facts of God to the experience of Him."

“

Scripture tells us that the righteousness of God is revealed from faith to faith, but what if transitioning from faith to faith was never meant to be a solo endeavor? Let this be a reminder to you of the intergenerationality of God's plan. Our journeys are our responsibility, but don't forget to look around. You are not alone on this journey, and you never have been."

“

Two tasks associated with intergenerational faith have turned out to be more complicated than we thought. One involves respecting the tradition of faith, while the other involves grasping the significance of God and faith in the context of our own generations. It has been especially difficult given the shift of religious boundaries between each generation. These shifts stem from our frustration with ancient wells that appear to be no longer functional in our modern contexts."
